

You were designed for dominion. Now ... take it.

What if you felt in control—on the job, in your home, over your addictions? What if your spiritual life was vibrant and temptations no longer held power over you? It's possible, and even promised in the Word of God.

Designed for personal use or group study, *Dominion*, a four-part Bible study booklet, contains powerful truths of God's Word, along with challenging questions and exercises that will help you apply it to your life. Powerful ministers of the gospel share the good news: that it is possible to take dominion over yourself, Satan, circumstance, and sin.
